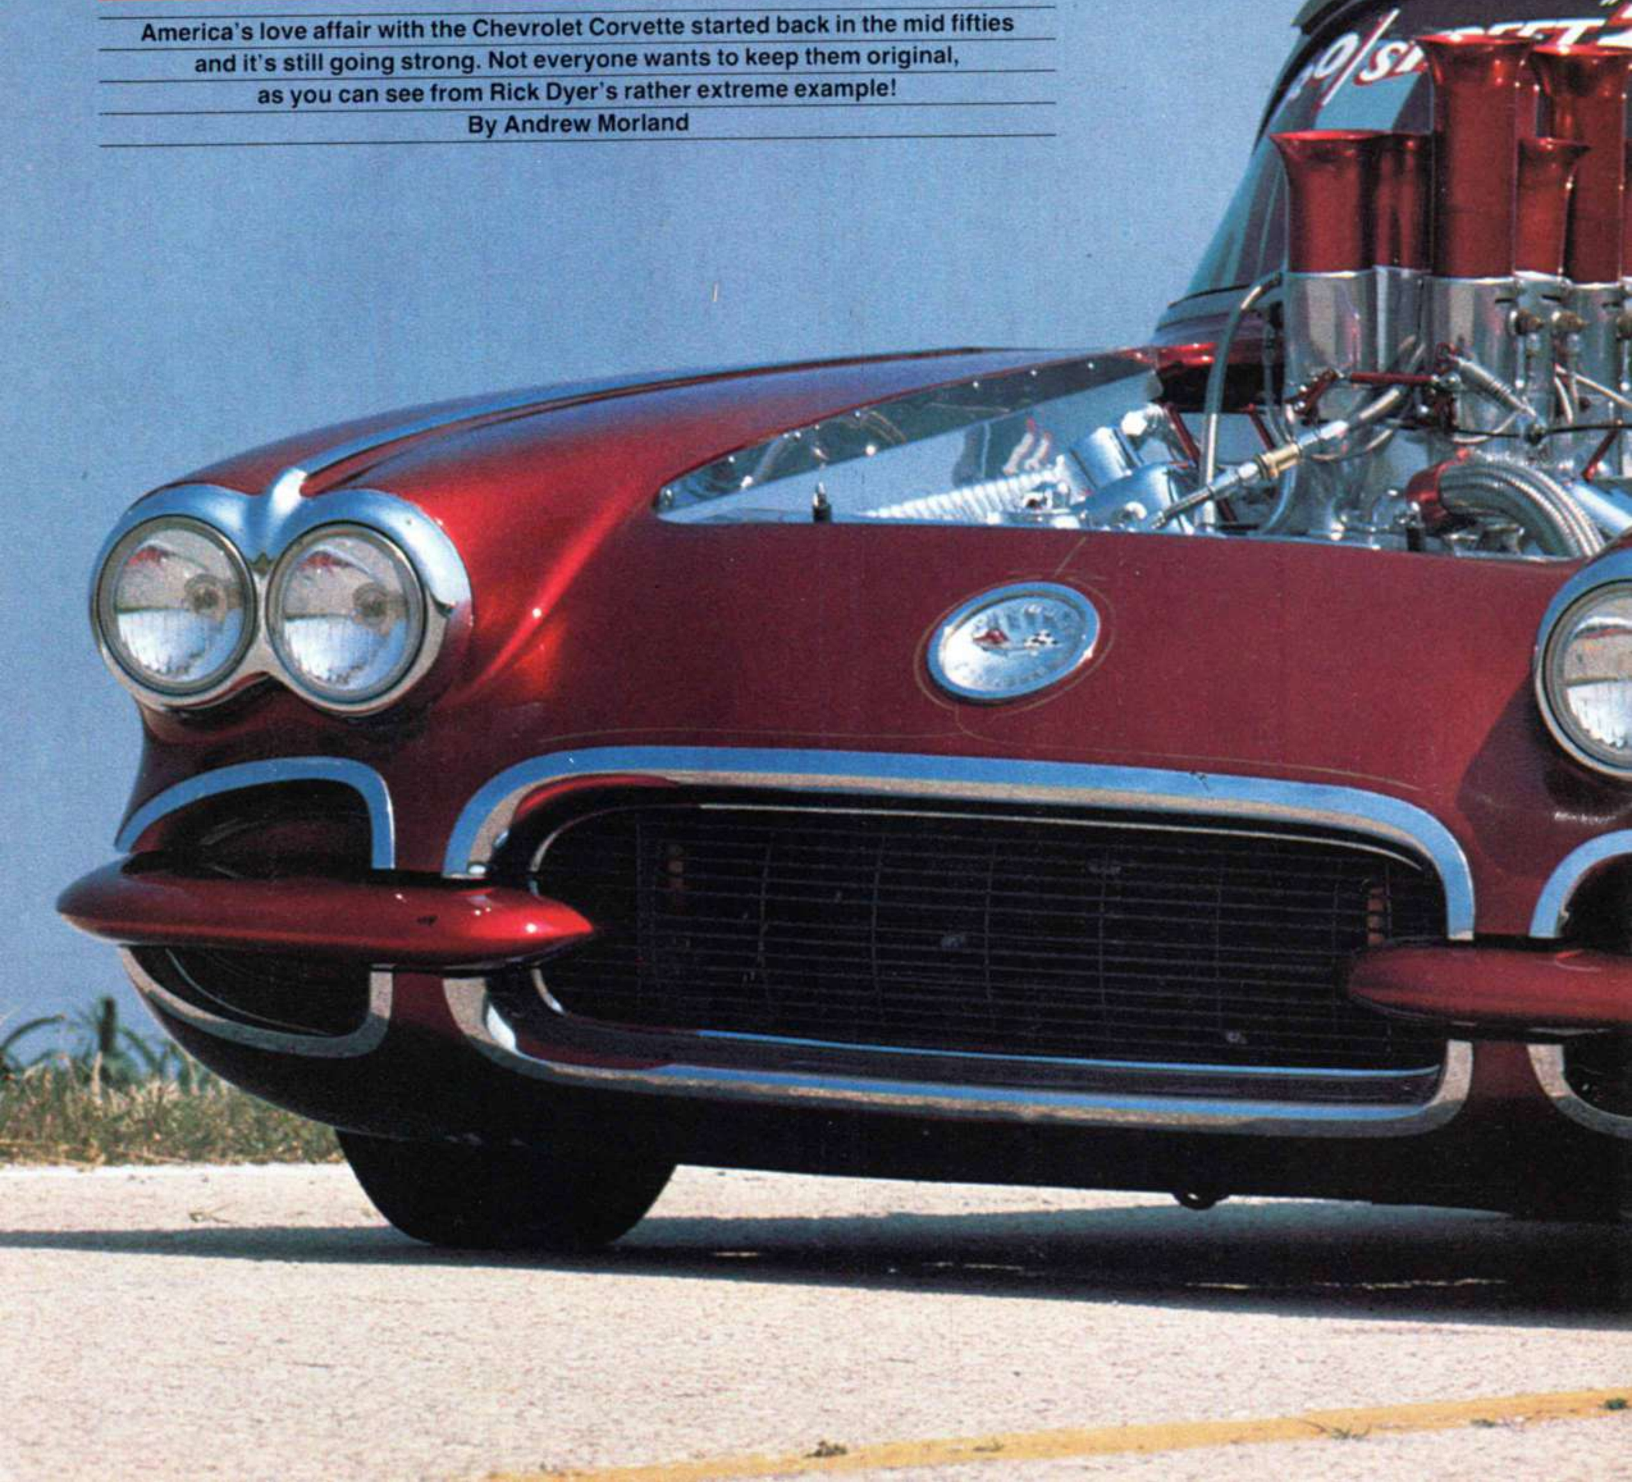
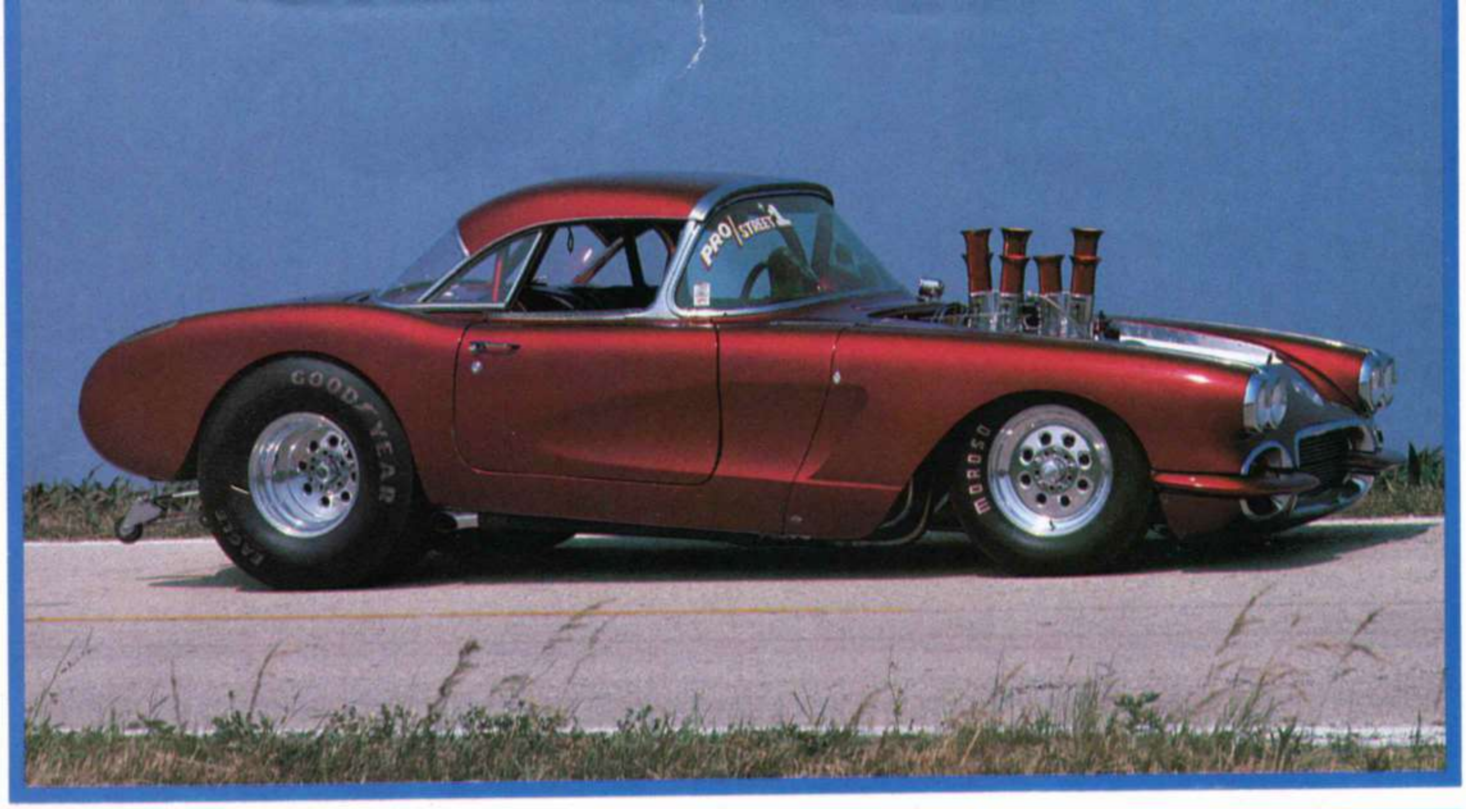
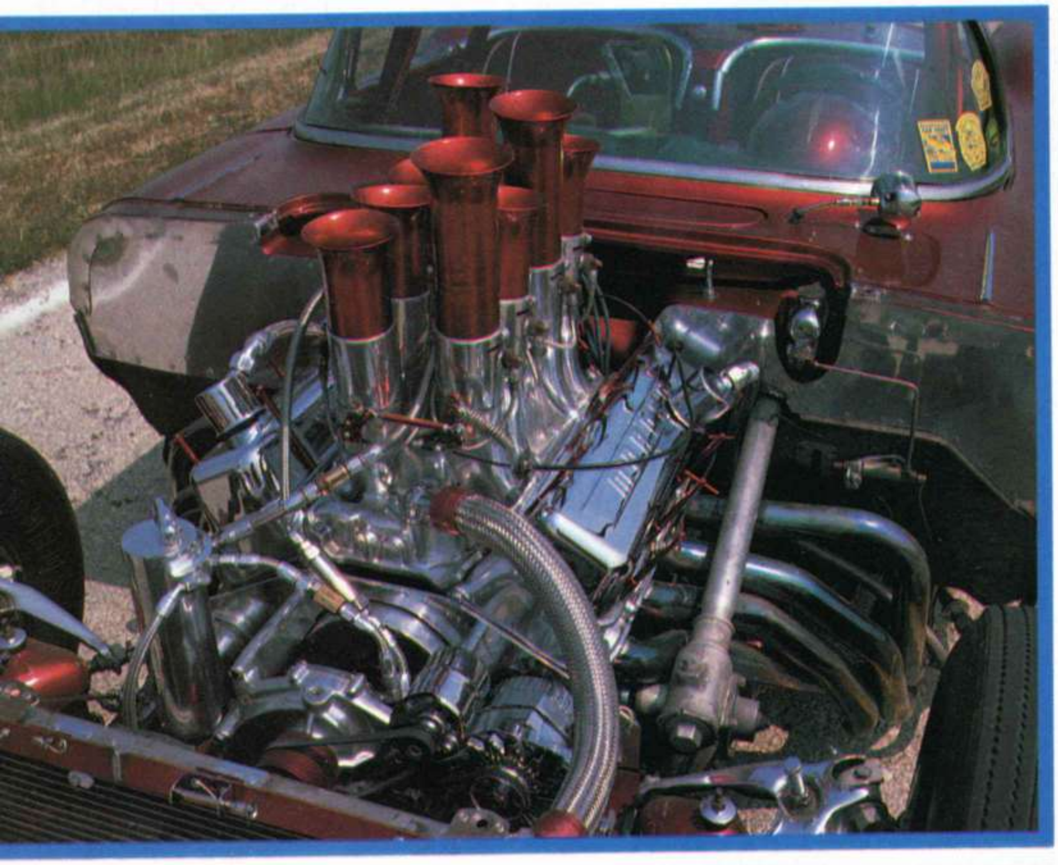
America's love affair with the Chevrolet Corvette started back in the mid fifties and it's still going strong. Not everyone wants to keep them original, as you can see from Rick Dyer's rather extreme example!

By Andrew Morland



HOT TO TROT





At last year's Car Craft Street Machine Nationals, held at Springfield, Illinois, this superb Corvette was shown by Rick Dyer. To the horror of the residents and police of Springfield, over 5,000 Street Machines converged on the town this year, together with thousands more spectators and enthusiasts. The three-day event was centred on the large Illinois State Fairground on the edge of town; where the organisers had intended that the Street Machines could 'cruise' away from public roads.

Rick's Corvette is 'Pro Street' which is part of a recent phenomenon in the Street Machine movement and powered by a 467 cubic inch engine with a deep port aluminium head and Kinsler injection. This fed a 460 turbo transmission with a 55 converter to a 5.57 ratio Chrysler Dana axle. The car sits on Weld Wheels with 15/33 Goodyear Eagles on the back and 7/10 Moroso at the front. Underneath there is a complete louvered and polished belly pan. The car was previously owned by Mori Roso senior of Indy 500 fame and has had a distinguished drag racing career. Time for a standing quarter mile is 9.46 seconds with a terminal speed of 142 mph. To give a comparison, a Lamborghini Countach does a quarter mile in 14.1 seconds. In 1982 the Corvette was ISCA class champion and was also winner at Gainsville, Florida. ♣

COCK-A-DOODLE-DOO

Believe me, it's a bleedin' cold world when your pockets are empty, take it from one who knows. Fortunately, however, I'm a born winner, so I was saved from a fate worse than death by a 59-year-old widow who took me between her sheets, wrapped me in her arms, let me fuck her and gave me a home for a while.

Like all good ponces, I became bored very quickly and found myself dreading my starring role each night. Even with my eyes shut, fucking the old bitch was like dipping my wick in a bucket – I never felt the sides. It also brought old age home to me – I imagined myself old, raddled, panting and puffing and trying desperately to get my prick up some little virgin. After four months of Beryl plus an insatiable appetite for young cunt, I ditched the poor bitch and tried to find a new benefactor.

Life with Beryl had been cosy and warm. I had the use of her car, plenty of notes in my pocket – but I had to fuck her every morning and every night, otherwise she'd throw a moody.

Ditching the old faggot – well she wasn't that bad, at least she liked a good muffing occasionally, which was quite exciting – was relatively simple. I just arrived home for dinner one evening with this young dolly I'd been screwing in the afternoon. Over dinner I announced that we were planning to become man and wife. Being far too dignified and shocked to say much, Beryl disappeared into the kitchen in a flood of tears.

The next few weeks were relatively hard – on my cock! I went from one warm bed to the next, never really finding the security and satisfaction that Beryl had bestowed on me. In many ways I missed the old tart, it was probably the motherly side of her I missed and those big bazookas I used to nestle in at night.

The weeks which followed saw me established in a bedsitter in Battersea. Of course it was sordid, but the landlord lived down the road, there were two rather fascinating tarts in the room opposite and a young whore downstairs, so I was set up for crumpet.

I didn't know what it was to support myself, there had always been some cock sucker around to help me out. Alas, I had changed. I wanted more from life and my poncing days were gone. I was going to make it big! Or so I thought.

There's nothing special about me. I like wine, women and song. In between all that, I'm an eager muff diver! Give me a nice juicy crumpet between my teeth any day, as opposed to the old fashioned fuck. Provided I get plenty of sex, food and wine, I'm a great guy. Starve me of any one, and I turn into a chain smoking, frustrated prat who really isn't worth the time of day.

I met Billy in a Club in the West End. She was sensational in every way, but her greatest

I PICKED HER UP AND CARRIED HER OFF TO THE BEDROOM. I KNEW I WANTED HER

attribute was the fact that she could dance like a snake. The actual Club was a disaster, most of the wankers wanted nothing more than a screw for the night – there was certainly no intelligent female life there. The chinless wonders – with their hair just managing to touch the top of their laundry stiffened collars, horned rimmed glasses, etc, jigging around the place like a cartloads of queens – were in abundance. They really did think their arse's were dripping in diamonds – and the odd thing is they'd be nothing without Daddy's bank balance and mummy's connections.

When I asked Billy for a smooch, she practically fell into my arms, pushing her warm soft body against me without any warning. From her eyes and the feel of her flesh, I knew she was well and truly away. Her pretty young snatch was asking for it. Beneath the dress I envisaged that golden box, the lips parting and the vagina just crying out to be licked or fucked.

Within the space of a few sentences, Billy told me she'd been coming to the Club for years but that she'd never seen me around before. At the same time she nicknamed me *Babyface*! I blushed, but was secretly dazzled by the new name. Wait till she sees my other smiling face when I bury my prick in her cunt, I thought, as I danced closer and became more and more enthused by the idea that I might score.

The invitation back to her flat came within half an hour. Billy was loaded, no-one with less than half a million buys a beautiful flat in Baker Street.

'I live here with my sisters, so you'll have to excuse the place if it's untidy. I think they're out so we'll have the place to ourselves.'

The flat was huge, she poured us both a drink then we sat down on the sofa. She lost no time in undressing herself, then helping me off with my clothes. I'd heard about women being fast, but this one was streets ahead of everyone. Billy was different from the average woman, she seemed a lot more sensitive, but I'd gathered by then that she was a whore!

Two or three kisses later, she shut the whole world out of her mind and was drifting away on a cloud of excitement. Given a few strokes in the right place, she trembled like a bird. I picked her up and carried her off to the bedroom. I knew I wanted her.

Laying her on the bed, I began to stroke each fascinating part of her. Women were beautiful creatures, their bodies as well as their minds had been a constant source of fascination to me.

Reacting like any other woman, she seemed more dominant than feminine. I found myself wanting to tempt her excitement beyond all extremes, then I would make her wait like a dog for its food until I was ready to take her. Touching every part of her, she moved down so that she was lying directly beneath me. A quick movement and she pulled my head down to her breasts, then whispered a few obscenities in my ear. I moved toward her, probing, then falling into a rhythm with her. It was a slow rhythm that sent her mad with excitement. I knew my prick would get her going and I wasn't wrong. She cried beneath my body, sighing at first, then clenching her fists and slithering up and down on the sheets so that the rub of my prick was stimulating her quim. When she finally came to orgasm I increased the pressure of my prick on her and she fell out of the orgasm like a dead bird falling from the sky.

'Captain's log, star date 13.12.84.'

Then it was my turn to have a little bit of pleasure. I went down on her, kissing and sucking to my heart's content. At first she tried to wriggle away, longing to escape from my tongue, but each time I managed to recapture my position until her quim rose up like a bulb bursting through the earth. I brought her off so many times that eventually she fell into a deep sleep. She seemed attracted to me and I couldn't figure out why; I knew my performance had been good but it wasn't exceptional!

The next day I returned to Billy's flat. As she opened the door she flung herself toward me. I knew I would have to do my 'can't live without you darling', act, so I reciprocated by feeling inside her negligee and along her soft naked thighs, then up toward her pussy, which was already wet. As I was just about to go down on her she grabbed hold of my shoulders and started to laugh. If there's one thing that put's a fellow right off it's a woman laughing at him.

'Listen, Mr Niceguy, would you like a job as a chauffeur for a week? My brother's got trouble with the law and needs a week off, this bird he works for is something else. Don't suppose you'll get your end away there, she's married to a rich Arab but it would help my brother out and you said you were looking for a job!'

Any bird with money was tempting to me and this one sounded a wow! It was arranged within seconds on the telephone. I did rather feel that Billy was a bit jealous, but I told her it would do her good to do without me for a while.

The minute I saw Alexandra, my cock rocked in its nest! She was fucking beautiful. I was mortified, so much so that I couldn't have moved, not even to fuck her. There were always very vivacious women in my world but this one had everything. She reeked of money in the most delicious way, my mouth was watering, my prick quivering and my balls were doing a cha-cha in my Y-fronts.

It was winter and Alexandra was wrapped in mink. I opened the door of the Rolls and watched as she elegantly stepped inside. How I would have loved to have been there with her, to hold her quim as we drove along, or to gently finger her hairy cunt lips.

Closing the door of the car, I wondered why the hell I'd been given this gift from heaven. After all, one minute I was screwing some little wealthy whore, the next minute I was standing in for her brother who was facing three years in the nick for 'receiving'. He must have been out of his mind to lose a job like this one, after all Alexandra was amazing.

Her full name, as I discovered, was Alexandra Coquill. She had married a wealthy businessman whose name was unpronouncable. They lived on a rather exclusive estate in Weybridge, there were no children and plain Mr Coquill was often away on business.

As I drove towards Hammersmith, I could hardly take my eyes off her. Beyond knowing that she was filthy rich I knew nothing more. It was Friday the thirteenth,

'Me? Meet someone through a computer? I meet people at work, through friends...' I thought. But did I?

How many new people had I met in the last year? Very few... and those weren't in any way special. Dateline said if I completed their **Free Matching Test,** their computer would search through the personality profiles of tens of thousands of other Dateline members to find someone who was right for me. Then if I wanted, the Dateline computer would run for one year to introduce me to as many people as I would like to meet. Many would be living in my area; people with whom I'd have a lot in common... someone my own age... who liked the same things I liked... to go to the places I wanted to go... had similar interests. Someone who I'd really like to meet... who would would like to meet me. And they did!

How long has this been going on?

14 years ago Dateline introduced this new concept into the lives of millions of single men and women. Now they are more in demand than ever, and are happy that they have helped so many people, not just through love and marriage, though their success rate is high, but simply through giving people like me the chance to meet and expand their social lives. **If you would like to see how it could work for you...**

HI, I'M CANDY

Candy Samples, the grande dame of American porn, has been hired by *Club International* to deal with readers' sexual and emotional problems – in her own big-hearted, big-chested fashion! More renowned for flashing her incredible 54-inch tits in skin mags and doing unspeakable things on stag loops than putting pen to paper, Candy is capable of turning her hand to more than hard cocks.

Hi Candy: I'm a soldier's wife, and during my husband's recent spell of duty with the United Nations Peacekeeping Force in the Lebanon (only five weeks after our marriage), I found myself subjected to an unwanted period of celibacy. At this point I should mention that I'm young and pretty attractive, well-stacked though with a slim physique which has been compared (by guys other than my husband!), to the young Jane Fonda's – like when she starred in *Barbarella*. Well, I'm very randy by nature, and during my husband's absence our marriage was being constantly put to the test by the numerous propositions coming my way from young soldiers. But as you probably know, there's no way a girl can screw around on a military base, so I had to take my solace with a plastic vibrator. This, however, proved dismally inadequate and I switched to a larger dildo which, while providing temporary relief, did nothing to assuage my need for a 'real' lover.

On several occasions I came very close to being unfaithful and I acquired a reputation around the camp as being something of a cockteaser. So, rather than hang around the officers' bar and spend my spare time fighting off wandering hands and insulting comments, I took to going out nights with a group of girls, usually to the greyhound races.

It was on one such nightly excursion that I befriended a young sergeant's wife, and after the last race I drove her back to the base, stopping off en route at a cocktail lounge I knew from when Ronnie and I first started going out together.

After a couple of drinks I was surprised –

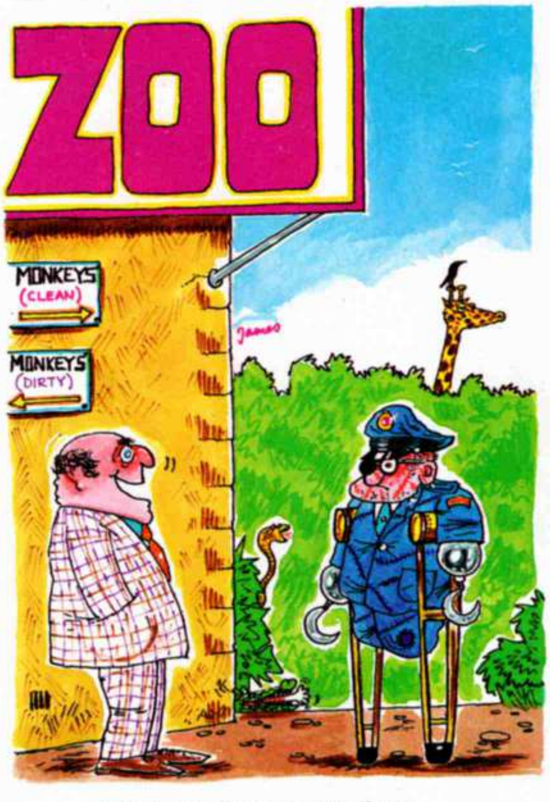
I GOT INTO AN ALL-FOURS POSITION AND MARIA ATE ME OUT FROM BEHIND

not to say shocked – to find this undeniably attractive young lady's hand on my upper thigh. I moved to push it away but, as if in anticipation, she squeezed my hand affectionately and unashamedly continued sneaking her fingertips nearer and nearer to my crotch. I'd never had a woman before, and I had to decide very quickly if I was to allow this slightly drunken flirtation to proceed any further. She was a slender, sensitive creature and for the last few minutes I'd been secretly admiring the way her nipples protruded sensually through the soft silk of her shirt, and the way they kind of jiggled as she laughed at a joke or gesticulated with her hands. Well, I was still weighing-up the pros and cons when her fingers found their way inside my panties and on to my clit.

Maybe I'm disappointing you by not providing a protracted, salacious account of my first fuck with another female. Getting undressed was pretty damn exciting though, and we spent several minutes in front of the mirror comparing our bodies and giggling like a pair of naughty school kids. I got into an all-fours position and Maria ate me out from behind awhile, mainly to lubricate me sufficiently to take three, then four of her fingers. Since then we've hand-fucked on several occasions, though we haven't met for a while because our husbands have been home. However, they're both being posted overseas again in June, and we both want to get back together again. The reason I'm writing is to ask you if there's another way for two girls to ball, other than hand-fucking or eating out. Maria and I both like the idea of using a rubber dildo, but we've no idea which type would be best. I called in at a sex shop just recently, and there were so many types available, I felt totally confused!

Muriel K, London.

I think you girls would be happiest using a latex rubber double dildo, as neither of you are particularly dominant types. They're particularly enjoyable if you insert them in the 'doggie' position, then you can wiggle your bum and enjoy the self-same thrills. For some inexplicable reason, many sex shops stock preposterously large 'double enders', presumably for their 'party novelty' value. Assuming neither of you ladies have ever had kids, a twelve incher should suffice, and take a tip from Candy: pull a large mirror up real close to the bed. The sight of your tight twats engorged with a thick rubber dong will have you both drooling with expectation and excitement, and hopefully you'll find yourselves cumming just like you were being balled by a couple of guys. Candy.



'About time for a change from the old Piranhas, eh, Fairbrother?'

Hi Candy: I've always been accused of being an 'animal' in bed by my girlfriends, and I guess there's a degree of truth in that: I adore eating pussy clean *or* dirty, and I've always been hot for women with really big, 'gashy' cunts. Well, for the last two weeks I've been laid up in bed with a busted leg, and I've watched more than my fair share of pornographic videotapes, and it really struck me how most female porno stars have very pronounced, flappy twats – the type I dream about eating! Is it because these girls spend more than the average amount of time fucking and sucking, that makes their labia so prominent? My current girlfriend has a small, skinny-lipped box, and I'd like to know if there's some way I can work on her to give her more of a prominent 'woman's' look.

Tony H, Hants.

Like beat it with a steak tenderiser, maybe? No, I think you're labouring under a misapprehension. In my considerable experience, a girl can fuck all night long without the slightest danger of her pussy turning into some kind of a ham sandwich from over-exertion. Indeed, some of the top ladies in porn have very small labia indeed – myself included. Annie Ample, Desiree Cousteau, Vanessa Del Rio and Lisa de Leeuw are four others who come straight to mind; indeed, the only famous porno lady I can think of who is 'blessed' with particularly prominent labia is the Ivory Snow Queen herself, Marilyn Chambers. Candy.

Hi Candy: Having spent the last 15 years of my life in pursuit of my ideal female (ie, one who's as naturally highly sexed as myself), I finally struck lucky. At 23 years of age she's 14 years my junior, has the most amazing body – full, big-nippled jugs and an exquisite turn to her arse – and is charming and intelligent to boot. Add to this the fact that she is an absolute sensation in the sack and you might begin to wonder why this guy's writing to an advice column like yours, but believe me Candy, I do have problems.

I guess the real trouble is to do with Mandy's free-and-easy attitude to sex. She's not just wild and uninhibited with me, but with just about any other guy she sets her sights on. I'd only been dating her three or four weeks when she came over to my apartment one evening and regaled me with a blow-by-suck account of an apparently 'mind-blowing' fuck she'd had just hours previously, with a former college lecturer. It really screwed me up to hear her talk about his 'colossal' cock and the perverted things he did to her (including tying her to a chair, reaming her arsehole, dildo-fucking her and wanking off into her mouth), though I suppose I had to be grateful that Mandy saw fit to level with me.

In an effort to curtail my girl's sexual curiosity, I suggested we get into some perverted sex scenes – just the two of us. For a while, all went well enough. On one memorable night together I anointed her body from head to foot with body oil, had her wear a kinky black rubber miniskirt and high-heeled boots, then I had her sit on the john and – with her skirt hitched high to expose her snatch – I fucked her mouth while her greasy snatch cascaded green piss into the bowl. However, even scenes like this were insufficient to keep Mandy's incurable wanderlust (emphasis on the lust!) at bay, and she continued her wild

forays with various disreputable and perverted members of the opposite sex, despite my pleas to remain at least *reasonably* faithful.

I have to admit that fidelity has never exactly been one of my strong points, though I am always discreet about my 'other' women, and would certainly never consider boasting about my conquests in the way that Mandy does to me. For example, I've been fucking a sweet little waitress for years now (on average about once a week), but I see no point in telling the world about it. I really like having such a sexually imaginative girlfriend as Mandy, and were she to agree to stay true to me, then I'd consider giving up my wayward ways and perhaps even marrying her. But what the hell can I do to keep her at home? I'm reasonably well-hung, I can fuck for up to two hours at a time . . . so where am I going wrong?

Serge V, Newcastle.

You've got to ask yourself, not so much where you're going wrong, but where you're going right – your attitude really sucks. However, I have to admit that the various shortcomings and inadequacies revealed in your letter don't cast much light on your young lady's promiscuous conduct – though you should be flattered that she sees fit to be honest with you. Her openness about the other men in her life must surely have presented you with a similar opportunity to 'come clean' about your dirty washing, but no – you have to keep your tacky, once-a-week workout secret! You're pretty jealous too, aren't you? It's fine for you to fuck around with waitresses and play kinky games with toilet bowls, yet the other guys in your number one girl's life automatically qualify as being 'disreputable and perverted'. It seems to me that you're being presented with a perfect opportunity to become part of an open-ended, open-minded 'do your own thing' relationship. So why not enter into the true spirit of the thing, *without retaining your tired old chauvinistic principles? Enjoy an honest relationship for once – just make sure you don't catch something . . .* Candy.

Hi Candy: I have just read a very raunchy porno novel, written by a woman, in which she goes into a very long and descriptive passage about two guys hand fucking. One had his hand up her snatch, the other had his up her arse, and at the moment she starts to come they sort of shook hands through the walls of her vagina and the sphincter. Is it really possible to do this, physically?

Alan G. Portsmouth.

TRILL CHEEP TRILL CHEEP TRILL TRILL TRILL TRILL

James

Sure it's possible – so why not give it a try? Then you'd go down in history as Portsmouth's answer to Fatty Arbuckle. Candy.

Hi Candy: I've often wondered if you consider there's a dividing line between 'safe' sexual experimentation and 'dangerous' kinkiness that every couple should employ. My wife and I enjoy a particularly adventurous sex life, but at times we get a little carried away and do things which, if not potentially harmful, aren't exactly hygienic.

I guess it all started the night my wife wore a pair of silk bikini briefs to bed. I took hold of the skimpy waistband and tugged on it, drawing the pantie-crotch tight up between her labia. My wife pleaded with me to wank her off like this, revelling in the friction of the silk being drawn tight over her clitoris, so I gratefully obliged. Soon she was literally writhing around in ecstasy, but as she climaxed, so she accidentally pissed herself, something entirely new to me and something I found tremendously erotic. Well, wet-sexwise we haven't looked back. As a preliminary to intercourse, my wife often wears a black nylon baby doll nightie. She then climbs into the (empty) bath and I piss all over her, really getting off on the sexy way the sodden garment clings to her pert, stiff-nippled tits. However, wet sex has distinct drawbacks as far as I'm concerned, as once my cock is hard, there's no way I can piss through it, and we have no choice other than to revert to conventional fucking, if indeed 'conventional' is a fitting adverb for our way-out activities.

Sometimes we enact a whole tableau of debauchery, my wife dressing up as a cheap whore (lots of crimson lipstick, suspender belt and stockings, the whole bit) and knocking at the door like a visiting call girl. I then drag her into the house, tear her clothes off and, greasing my fist with vaseline, give her a vigorous hand job, sometimes after tying her up in some really obscene position. She really screams the place down like I'm a rapist, and I slap her face and call her all kinds of filthy names. Then I take dirty pictures of her with my instant print, often with her cunt plugged with a lubed-up cucumber or a large rubber dildo, and maybe some rubber tubing up her for good measure.

Through a certain contact magazine, we've got on to a group of surprisingly attractive young marrieds who are into even heavier sex scenes than we're accustomed to – heavy S and M, rubber, B and D etc – and my wife is keen to get involved. Where do you think we should draw the line?

Ed and Marianne, Dorset.

You've got to ask yourselves, 'do we really want to risk the good thing we've got going by allowing others into the sanctity of our relationship? Maybe your sexual tastes are a little excessive, but you're sure as hell compatible, and you've only got to look at some of the letters published in Hi Candy! *each month to appreciate what a rarity a happy marriage is in this decadent day and age. Had you, say, met a young couple at a party, in a bar or whatever, who could say what harm a little swapping might do? But I would have thought you were taking unwarranted risks by getting involved with the sort of people who advertise in contact magazines for kicks. Some of those freaks – male or female – I wouldn't want within fifty yards of my house, never mind between my scented satin sheets.* Candy. ♣

Star Turn-ons

Sir: A recent correspondent talks at entertaining length about the pathetic attempts of female celebrities to stand aloof from their potential as sex objects. As so often, the stance is counter-productive. Remember the statistical proof of the increased popularity of bondage photographs in relation to the strident propaganda of women's liberation in America? My pleasure at seeing a rich bitch stripped for my perusal in *Club International* is never greater than when the reluctant sex object makes a song and dance in the papers about her privacy being invaded.

It therefore follows that I most enjoy the candid pictures of unintentional display. I was never a 'voyeur' by inclination, but the increasingly silly denial of sexual display and attractiveness by today's women has alerted me to its sly pleasures. Margaret Trudeau, Jackie Onassis, Ali MacGraw, Farrah Fawcett – all have learnt from you that the responsibilities of living off the public's attention go further than they would like.

Another counter-productive piece of 'liberation' has been the de-sexing of the Miss World competition. I have got round this by preparing a card of headed columns before the televising – Breasts, Cunt, Arse, Legs, Face – and giving marks out of ten for each. When it comes to the 'personality' interview I give a mark for 'gullibility', which is to my mind the most important quality to look for in a woman.

You will realise, of course that such an approach works well for all beauty contests, but it is equally viable when applied to women's sport, or even 'Young Musician of the Year'.

Some of my happiest moments have stemmed from the Celebrity Bonus feature in *Club*. The sheer childishness of a set like 'Raquel takes her pants down' is very amusing, likewise the blatant way you drew attention to the tits of Abba's Agnetha. I enjoy the no nonsense captions to the photographs, particularly when you talk about the most cerebral celebrities in the most physical terms.

I think it would be a good idea if you expanded the 'Bonus' idea so that we get full sex-value from all our highly paid celebrities. For example, in the film 'Fathom', recently screened at family viewing time by the BBC, there were shots of mini-skirted Raquel Welch thrown out of a boat and diving in the sea. Repeatedly the screen was filled with Ms Welch's wet-knickered crotch – presumably this was deemed acceptable to star and censor because the relevant shots lasted mere seconds. Imagine however, these stills frozen for our lecherous pleasure on the pages of your magazine – they would be a valuable addition to our appreciation of a notorious prick-teaser.

Similarly, it would be nice to take out of context scenes from films in which well-loved actresses have appeared in activities that have potential sexual overtones – bondage, wrestling, slapstick, school uniform, wet clothes, mud, etc – it could be very funny and sexy to have a fetish corner, especially if the original context had been totally innocent. Another idea would be to look at various careers through sex-tinted spectacles – most fuckable presenter of children's TV, biggest breasts in current affairs (Sue Cook?), operatic cleavages . . .

To take up the recent theme of women's athletics, what about the hurdler, Shirley Strong? Great tits and what must be the arse of the eighties. The recent decision of Grandstand to show her in slow motion made a terrible sticky mess of my upholstery.

Peter H, South London.

Leg Man

Sir: Aren't women the most amazing creatures? I met up with a luscious chick over a weekend at a holiday resort. We swam, danced, dined, drank . . . all the lights showed green, except when I finally got her alone in a romantic setting (my room), I got the big No. I must tell you that she had a gorgeous arse and tits – in that order – and telling me I couldn't have her was like offering a thirsty man a glass of vinegar. I was practically splitting my pants, I was so hot for her.

Eventually she came out with it: she had a serious boyfriend at college and her pussy was his private property and therefore off-base to casual pick-ups like me. But if I cared to go another route . . . She went to the bathroom for a few minutes and came back with all her clothes off. She was tanned over most of her big body, her nipples were dark and huge and her cunt hair looked divine. Off-base, Mac.

What she'd been doing in the bathroom was cleaning out her back passage, as I soon appreciated when she lowered her fabulous arse over my face and invited me to rim her. I held her heavy cheeks wide open and – with a wistful glance at her forbidden pussy – licked all round her pink pucker.

Next, she dismounted and told me to lube her cheeks and my prick with some sticky stuff she had in a tube (Be Prepared!). So I worked some of it over her while she lay on her front, squeezing her tits and moving her hips in a slow grind. I eased my prick into her crack and very carefully pushed it deeper and deeper into her

I WAS SEEING SOFT PUBIC HAIR AND THE LOOK OF SURPRISE AS I PUSHED MY RIGID COCK INTO HER

continued from page 18

but I felt lucky. In my fantasies, I wished that she and the car belonged to me.

The face in the rearview-mirror was aristocratic. The red hair framed the palest of skins. There were gashed eye-brows, dark, hazel coloured eyes that reflected a whole pool of warmth and sensuality. I just couldn't speak to her – my whole system had gone to pieces. My dick was throbbing for her fanny, my mind was just blown by the events of the last few weeks. I could almost picture her soft red pubic hair, probably a delicate line of hair also grew down from her navel toward her cunt. I passed my tongue over my bottom lip and I almost tasted the juice from her pussy. How my body ached within the leather seat, my cock moved as though stirred by the very perfume she wore. She was like a magnetic force drawing me toward some unknown destiny.

It would have been virtually impossible to control my feelings if she were to look my way. How could I not see that naked body before me, the soft line of her breasts and the pert young nipples that I would suck until she screamed for me?

Oh, to feel her with my cock, to watch as she slid across the sheets in orgasm, her body like that of a swallow yielding to the wind, diving into the water then soaring high into the sky to disappear into a blue cloud. I was with her in my wildest moments, her body laced with perfume, her mouth longing for the touch of my lips.

Then I would force her into submitting, her arms shackled around my body. We would sail together in sexual ecstasy, my cock steering her cunt out of the winds of frustration and into the depths of still water where she would orgasm.

'Take the next turning on the right.'

The voice from the microphone brought me back to reality. My hands were sweating inside the leather gloves, while my prick was rock hard and dancing in my trousers like a captured frog. A small bead of perspiration dropped from my forehead on to my knee, staining the dark grey suit I'd been given by Billy's brother.

'Now right, and it's the next entrance on the left, the large iron gates, the house is called Willows Reach.'

A remote control button at the back of the car opened the gates. The tree-lined avenue was like something out of a French film. In keeping with Alexandra, the house was spectacular. It rose from the ground like an enormous monument to her beauty. We stopped outside two enormous stone pillars, topped by huge white lions, for a second I thought I was back in Trafalgar Square!

Of course the butler answered the door, Alexandra stepped out, smiled casually at him then turned and started to walk up the stone steps.

Turning suddenly she looked right into my eyes.

'You're quite a good driver Christopher.'

I gleamed with jubilation as I realised that I had actually pleased her. The garage was at the back of the house. Apart from one other Rolls Royce there was a Ferrari, an American Chevrolet and a small sports car.

Hughes, a thin, unattractive fellow who appeared to work under the head butler, showed me to my quarters. As I was only there a week, I would have to use Tony's room which was as bizarre as his sister's flat, with posters of Status Quo splattered over every wall.

I had to take myself in hand that night, I just couldn't sleep. My mind was full of Alexandra, her face, hands, body, legs. I wanted her like crazy, knowing that she was probably sleeping in a huge double bed on her own made it even worse.

I was called at ten o'clock the next morning to take Alexandra to the airport. The night's wanking had left me fairly exhausted, then seeing her ladyship was rather like some garish nightmare. As the engine hummed at the bottom of the steps, the vision that suddenly appeared was devastating.

There she was, as regal as any princess, the red hair had been taken back off her face and kept there by two gold slides, while the body was covered in a knee-length fox fur, protecting that delectable body from the harsh January wind.

As she passed me by to step into the car the perfume was different from the day before, it was somewhat harsh and not in keeping with her softness.

I had been instructed to take her ladyship to Heathrow, the VIP lounge. Someone was arriving from the States. No one told me who it was, but I guessed it was her husband! How wrong can anyone be?

Throughout the 15 minute trip to the airport, she re-adjusted her makeup a hundred times, then I saw her pour herself a neat brandy and knock it back, replacing the glass and the decanter into the pocket beside her.

How lucky he must be, I thought, I guess he can't wait to get her home to bed. Lucky bastard, I thought, as I drew up outside the terminal and jumped out to open the door.

In only a matter of minutes, she returned with a young man of around 21. I looked and looked again, then, realising that I was staring at them both, they jumped into the back of the Rolls. But he couldn't be her husband, he was too young, I thought, as I started the car.

'Park Street please, Christopher.'

After these words had echoed from that delicious mouth, the black screen that divided the chauffeur from the passengers was raised, obliterating any view I might have had of them. But even before this had finally reached it's home they were at one another, hands, legs, arms, they were about to fuck in the back of the Roller! I put my foot down and used every ounce of energy to concentrate. My mind was playing disgusting tricks with me, instead of the road I was seeing soft pubic hair and the look of surprise as I pushed my rigid cock into her. Beneath that coat she was more than likely naked. How lovely to fuck her in the back of the Rolls, while speeding up Park Lane towards some hideaway apartment she had booked for her gigolo.

Well, they had plenty of fuck time – Park Lane was packed with traffic. I couldn't hear a word from the back and the thought that they were copulating in the back was just blowing my mind. Eventually, after 15 minutes of traffic jam, we cruised into Park Street. I announced that we were in the street and asked which number.

At first there was silence, then it was broken by Alexandra's voice. I cruised down towards the right number, stopped and waited for the window to be lowered.

Turning the engine off, I jumped out of the car and opened the back door, fully expecting to find them in a ruffled state. They were both immaculate, embarrassed but immaculate!

As she swished past me with a bunch of keys in her hand, I swallowed hard, glaring

Barb

Bond girls seem to have developed the rather pleasant and exciting habit of emerging, bulging and dripping, from pools of one kind or another, but too few adopt the fashion depicted here by the mouthwatering Barbara Carrera. A swift glance at these delightful shots from time to time would probably be enough to keep even old Roger Moore perky enough to complete a few more Moneyrakers.

Joni

You may recognise Joni Flynn as not only one of the Bond girls, but as the ultra sophisticated example of womanhood draped round the enviable bit of beefcake in one of the Dormeuil advertisements. An even more pleasant habit these girls are developing is their regular appearance in these ever vigilant pages. The celebrity search is as vigorous as ever. ♣

I CARESSED HER BREASTS, MAKING THE HARD NIPPLES STAND TO ATTENTION LIKE SOLDIERS ON PARADE

continued from page 56

at her rather young, handsome companion whose shirt was hanging out of his trousers.

'Pick me up in four hours please.'

Cocky bitch, I thought, as the door was slammed. By now I'd had enough and felt that I couldn't take a whole week of her. Driving down towards Baker Street, I thought I'd drop in on Billy for a drink and a poke. After she had let me in, she returned to the bubble bath she was taking, for she had appeared at the door camouflaged only by a few bubbles.

'Why don't you take a bath with me darling, and tell me all about dear Alexandra.'

'You mean you've lost the soap?'

What followed can only be described by imagining two randy whales diving, twisting, curving and then sinking into the depths of each other. We plunged into intercourse like captive creatures set on destroying any inhibitions we might have had.

At the appointed hour I was waiting outside the house in Park Street. Ten minutes and a parking fine later, Alexandra appeared looking her usual glamorous self. I drove back to Weybridge slowly, concluding in my mind that she, too, was no more than an unpaid whore.

During the days that followed I took her out and about most of the day, then at night she seemed to disappear into the silken cocoon of the house. Hughes had told me that her husband would be back on Saturday, the day that I took off the chauffeur's uniform and became plain Chris Reed again. On that Friday night, however, I was told that I would be taking Alexandra up to a casino in London and that I would have to wait for her until four or five o'clock in the morning. Knowing this, I telephoned Billy to see if we could get it together for a few hours, only to be told that her brother had been given a two year prison sentence. Billy was distraught and said she knew he would never get through that kind of scene. I tried to placate her but the poor cow was demented by the idea of her baby brother serving time in the nick.

'You never know, he might like it in there, after all, the only thing he's going to miss is a bit of crumpet.'

'Don't be so bloody insensitive, you creep, he's queer anyway.'

When I picked Alexandra up outside the house on Friday evening, she looked like something out of *Vogue*. The red hair flowed down to her shoulders and the black, skintight evening dress with it's soft, billowing sleeves made her look just like a film star. Talk about make your mouth water.

'Fuck me! I wish I'd said that.'

Dropping her off at the casino, she was greeted by a few of her piss-elegant friends who were obviously waiting for her. I had been instructed to pick her up at four o'clock, not a minute later or a minute sooner. As she disappeared inside the casino I gulped, slammed my knee with my hands and drove off toward Baker Street.

Billy bounced into the room minutes later, we just looked at each other, no words passed, then I kissed her, pushing my tongue inside the dark caverns of her mouth, playing hide and seek with her. In frantic movements she pulled me down on top of her and within seconds our bodies knew each other. I caressed her breasts, making the hard nipples stand to attention like soldiers on parade. She stared down at them and laughed as she watched me finger each one.

I had always enjoyed muffing Billy, I kissed each part of her from the tip of her toes to the top of her head. I liked her more than I had done before. I wondered why I was fascinated by the other rich bitch.

She moved lethargically around the bed like a fawn, we could have had until the end of the world, yet we had such little time together that night. The fuck was over all too quickly for Billy completely ruined it for me. The minute I started to press up and down on top of her she ran her hands through my hair and began to ask me how I was going to fuck Alexandra that night.

For my part, I'd given the rich bitch very little thought, but the second her name was mentioned, I conjured up a picture of her naked body and I just came, spunking my shots deep inside Billy, yet thinking with my prick that it was Alexandra who was there before me.

The streets of London are never lovelier than in the early hours of the morning. I cruised down Park Lane and eventually parked directly outside the casino, joining the happy bank of Rollers all ready to pick up their rich owners.

Alexandra was first to appear. A stickler for time, she was escorted to the car by some rich old man whose eyes were virtually disappearing down the front of her dress. Closing the door behind her, I noticed that she had given me a very old-fashioned look, I checked to see if my prick was in place, convinced that perhaps it was flashing at her!

I started the car, stopped at the traffic lights and signalled to turn left down towards Hyde Park.

'Where do you think you're going too?'

'Weybridge, madam,' was the reply, although I would have liked to have told her to piss off.

'Park Street, please, and hurry, I'm tired.'

'Leave it here, we have resident's parking, I think. Anyway, it doesn't matter, who will care in the morning?'

I locked the car, still not quite sure what was going on. Meanwhile she had opened the door and was standing staring at me.

'Well, you're not going to fuck me on the pavement are you?'

I must have looked an absolute idiot, I was mesmerised, I couldn't move.

'You mean . . . you mean me and you?'

'Well I can't see anyone else can you?'

I trotted up the steps like a lamb going to the slaughter. The house was even grander than the one at Weybridge. She walked straight up the winding staircase, arriving at the top, she turned and looked at me. ♣

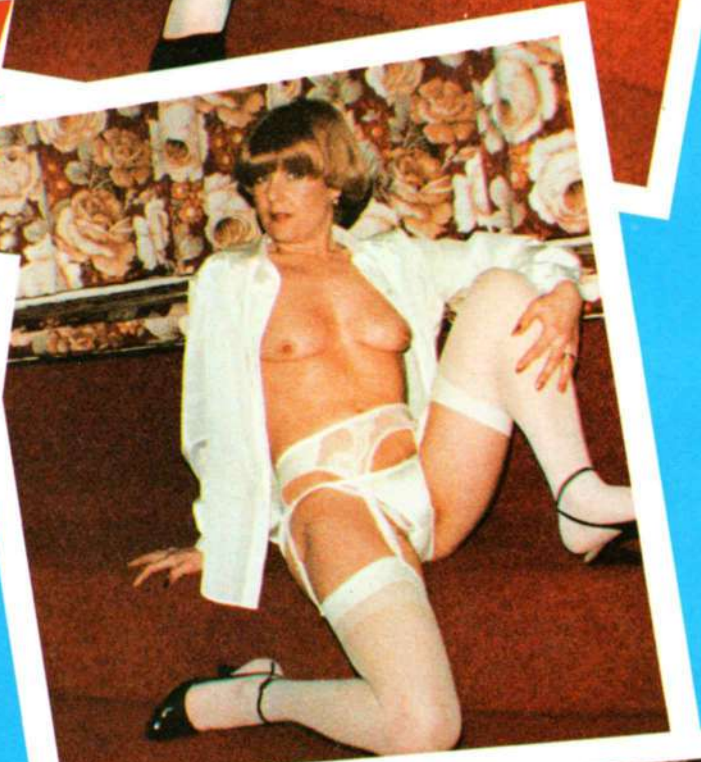
SOUBIRAC

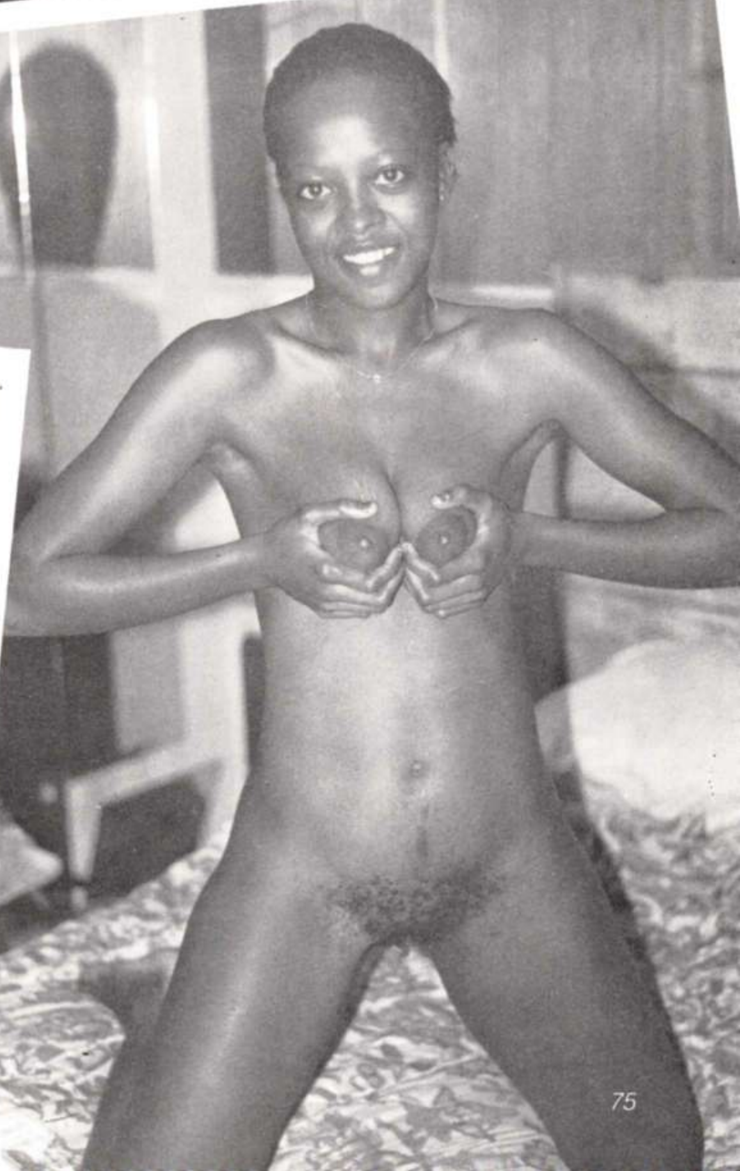
AFFECTIONATELY YOURS



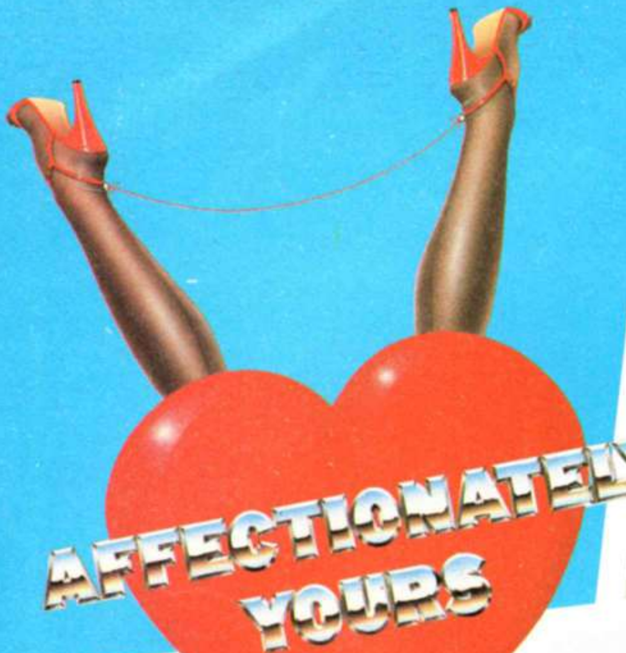
These pages are available for you to show off any object dear to your heart. We pay £25 for each entry, irrespective of the number of photographs, on receipt of an invoice or claim. We cannot guarantee return of pictures.

Opening our *Affectionately Yours* spot this month is a delectable dame who would rather go nameless — and topless, bottomless, centreless and all. Not to worry, who needs a name with curves like these?

Opposite page, it is our pleasure to bring to you the sensational scenes provided by Greta. The shots were taken by her favourite man, James D.

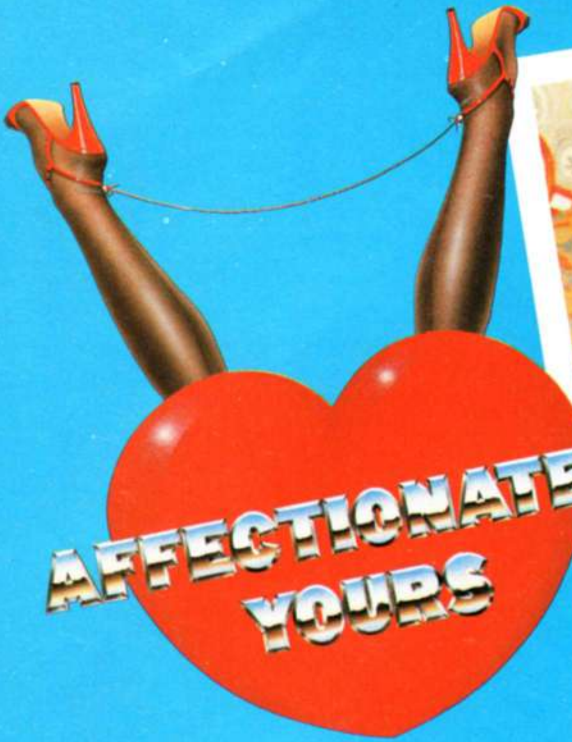


AFFECTIONATELY YOURS



We are indebted to Paul Hill for sending in these shots of delicious Elizabeth. As you can see, Elizabeth was shot in places of interest in London, thereby making them even more interesting.

Below, an exciting offering from Holland. The lovely lady's name is Fam, and she's extremely keen to hear what us Brits think of her. Just goes to show that Holland isn't as flat as it's represented.



AFFECTIONATELY YOURS

Right, two shots of Karen, a delightful Welsh lass, captured on film by her husband Mel. Really dig those slinky undies.

Below, no name with this one, but curves which at least compare, if not improve upon, the lady seen in the background.

Above and below, two shots from Stephen P, and he assures us they were a great deal of fun to set up. We can almost believe that.

Brian sent these two shots of his favourite lady, and hopes she'll bring a ray of sunshine into our lives.

AFFECTIONATELY YOURS

Below, Janet Richards, Jr. Don't look too junior to us, but let's be thankful for small mercies.

Below, Linda, who likes to show her pussy on nudist beaches, she tells us. The shots were taken by her adoring husband.

Above, couple of black and whites of Wendy, shot by Paul West.

Below, back to colour, and the delicious form of Lynn Wendt. What a way to finish.

READERS WRITES

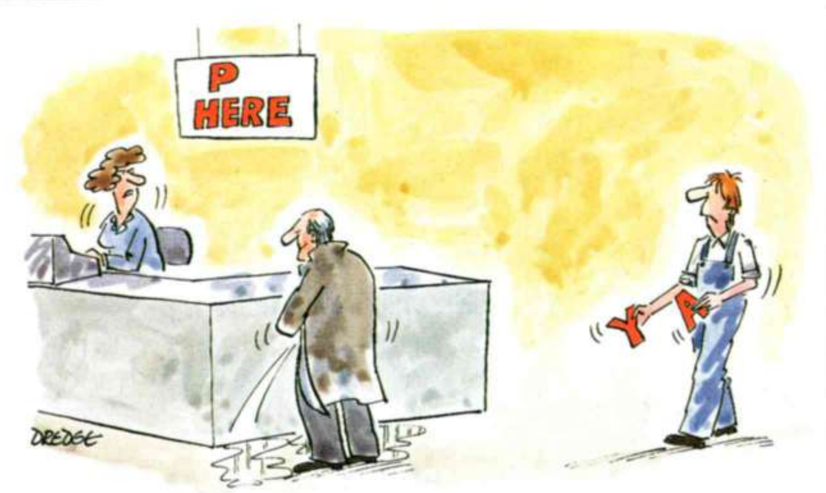
thighs. I got the whole length of my prick between her legs. It was tight alright, and I soon found a way of gently thrusting into her an inch at a time. She came off with her knees round her ears, and the gulping and squeezing of her creamy thighs gave me the most sensational come of my life.
Jerry K, Northampton.

Hospitality
Sir: Knowing how fond your readers are of bizarre sexual anecdotes, I figured I should let you in on the details of a little escapade which I should really be ashamed of, never mind revel in. Last year I was involved in a motorcycle accident. I came off my Yammy-hammer 750 on a tight bend, breaking a leg in the process. The fracture was evidently a 'clean' one, and five weeks later I was looking forward to being discharged from hospital (but for some skin abrasions which became infected, I would have been discharged earlier still). It was then that things started to happen.

Every morning my dressings were changed by a West Indian staff nurse of *the* most outstanding beauty. We became very friendly, but on the two occasions I slid my hand up her skirt, she closed her thighs and slapped me. She didn't actually give me the cold shoulder, and intimated that, when I had recovered, she would consider letting me take her out. I remained sceptical, and hopelessly randy. Just how could I get to fuck her black pussy?

It was then that fate intervened in the highly improbable form of an old schoolfriend who, as luck would have it, had aspired to becoming a house doctor in the very same hospital. That night he smuggled some Scotch into my ward and together we hatched a plot to heighten my prospects of laying the delectable staff nurse. The ploy was as old as the hills, given added and hopefully irrefutable credibility in the form of my good friend's superior medical knowledge. Superior, that is, to that of Sonia, the staff nurse. Basically, Ian agreed to 'let slip' to her that I was a particularly sad case for, aside from the minor inconvenience of a broken leg, I also happened to be a victim of an obscure form of terminal cancer. To compound my misery, my wife had just left me, and to make matters even worse . . .

To cut a long story short, on the last night of my incarceration Sonia gave me a delightful – and strangely emotional – send off in the form of a hand job, a blowjob and later, when the night sister was having her tea break, a marvellous soixante-neuf. With my tongue in her oozing cunt, breathing in and savouring the heaven-scent odours of her foxy funk, I closed my eyes and thanked God for bestowing my doctor friend with all those marvellous qualifications.
Freddy G, Newcastle.



'About bloody time!'

Cutting Remarks
Sir: I work in a unisex hair parlour as a trainee, and because of my age and lack of experience, I get stuck with the worst jobs, like making coffee for customers, sweeping hair off the floor and shampooing. As we're quite an up-market establishment, a fair proportion of famous and well-to-do (and otherwise attractive!) men come to us to have their hair cut, and I always get a charge from rubbing my crotch suggestively against them as I shampoo and condition their hair, and they invariably respond by surreptitiously wiggling their elbows, seeking out my pussy as I stand beside them. Sometimes, if I'm particularly hot for a guy, I might 'accidentally' drop a brush or a comb right in front of him, then bend over and pick it up, giving the guy an X-rated view of my plump, teenage arse – and if my skirt if a little on the short side, so much the better!

Well, one day recently the singer from a local rock band dropped by for a trim, and I did my usual comb-dropping number. His response was quite remarkable – direct and straight to the point: 'Hell, I'd love to see you bend down like that with no panties on. Why don't you come around to my flat tonight and tease me to death?' Well, frankly, I always thought I was better at teasing than the real thing but, as it was the middle of my month, I needed a cock more than I needed dinner, so much so that, when I was getting dressed to go out, I found myself actually trembling with excitement. I chose the wickedest outfit in my wardrobe: short, black, leather skirt, white fishnet stockings and matching suspender belt, white T-shirt with no bra (and no panties, natch), and a tastefully-battered leather biker's jacket. Quite punk, very chic, and sexier still!

I guess that if I'd been so naïve as to think I was about to embark on some big deal love affair with a rock star, I'd have been pretty disappointed. Rod (as I'll call him) was very arrogant and vain, and within a minute or two of my arriving he pointed to the 'effect' I was having on him – a snake-like bulge that wound its way down the inside leg of his tight leather jeans. Did I look *that* good? And to a guy who's got women clamouring for his crotch, 24 hours a day, seven days a week? Boy, was I flattered!

As you might imagine from a guy who's 'experienced' a whole lot of women, Rod proved to be very kinky: nothing as conventional as kissing and cuddling figured in *his* repertoire! After a drink or two he unzipped his trousers and took out his cock, which was long, quite thin, and very pretty. At his request, I lay back on the sofa and lifted my skirt, and the revelation that I had come to visit him in a pantie-less state had him unashamedly jerking off.

'Why don't you come over here and put that thing in my mouth?' I ventured. 'It seems a waste to make yourself come before finding out just how good I am.'

So saying, I started to play with my pussy, opening its lips and inserting three fingers, knuckle-deep, making the most disgusting slurping sounds in the process. This seemed to have the desired effect, and soon we were engaged in a real, basic *soixante neuf* on his sofa.

Over the next couple of hours, his antics became steadily more outrageous. I had my bottom vigorously spanked with a dildo thrust deep into my snatch simultaneously; I was tied, legs spreadeagled, to a brass bedstead and fucked in

READERS WRITES

continued from page 82

the cunt; had numerous dildoes and vibrators shoved up my snatch; fingered my pussy so that Rod could watch and jerk himself off, finally coming all over my face and tits.

We'd both had one hell of a nice scene together (if, indeed, 'nice' is a suitable word!) but I didn't delude myself it was anything more than a mere one night stand. The only thing that stays in my mind is, how do you define a good lover these days? Is he the guy who fucks you time and time again until you're completely satiated, or is it the type of guy like Rod, who makes you come a lot by using all kinds of artificial methods? Anyway, who cares about definitions: I guess a climax is a climax, no matter how you go about achieving it.

Maria G, Morpeth.

Funny Feeling

Sir: I don't know if this makes me abnormal, but sometimes when I take a crap I get real horny afterwards. It's not that infantile lavatory-fixation thing that stays with some people into adulthood (like 'golden showers' and that whole tacky enema scene) – it's purely physical. If I take a piss I don't get left with this feeling – so what's causing it?

Helene C, Cardiff.

Defecation is effected by the contraction of the sphincter, and it is not possible for a woman to contract her sphincter without contracting her vaginal muscles at the same time. I'd guess you vagina is more sensitive than most, though you don't say whether or not you're the 'multi-orgasmic' type. Similarly, many men are unable to defectae without getting an erection, the erector mechanism also being linked to the sphincter muscle. Ed.

Non Cock-sucking

Sir: I've been dating the same girl now for almost a year, and despite the fact we get on really well, she refuses to go down on me. She says it's unhygienic and 'unnatural', something only whores do – yet she never voices any complaints when I eat her pussy: can you beat *that* for hypocrisy? If I didn't have such strong feelings about her, I'd look for someone else, But she's still very young (19), and comes from a deeply religious family, so I've really got to tread softly if I want her to come around to my way of thinking. The thought of having her sweet lips wrapped around my cock turns me on so much I almost come just thinking about it. A close friend of mine advised me to be a little rough with her, to work her up to a climax by fucking her, then taking my cock out of her cunt and – if necessary – forcing her to suck on it. There's a chance she'd be turned-on by a bit of rough stuff, but it seems to me there's an equally good chance she'd be anything *but* turned-on and might even walk out on me. What do your readers think?

Stanley W, Milwall.

Yoga Bare

Sir: I'm only writing this to make *Club International* readers wild with jealousy. My current girlfriend is a yoga freak.

My favourite is when she folds herself up with her face between her thighs so I can dork her cunt or mouth almost without moving. If I come in her cunt, she waits for me to withdraw, then she pushes her crotch forward and lets the stuff dribble into her mouth. If I come in her mouth, she holds it on her tongue and then rolls over and spits it into her cunt.
